Eden Honored With All-Star Community Award

Delegation Travels to Abilene

Delegates from Eden accepted the Texas Midwest Community Network's All Star Community Award at the Annual Conference on October 19th. The Award highlighted our collective efforts to ensure a long term water supply, construct a new health clinic, enhance the aesthetics of downtown, removing dilapidated houses and junk vehicles, putting vacant buildings back into use, creating our Garden of Eden Park, paving a number of city streets and erecting street signs. By all of us working together, we are an example of what can be accomplished by working together! Congratulations to one amazing community!

Dates to Remember

Kent Foster Center Renovations Well Under Way

Harrison Roofing completed the new insulated roof last week and Triple J Construction has begun the construction/remodeling of interior offices and restrooms facilities. Bids will soon be let for a new HVAC system for an anticipated completion date near the end of November. It's exciting to see this historic part of Eden put back into use and provide another anchor facility to downtown.

Shop Eden And Save

Shop Eden And Save

The Chamber in cooperation with the Eden Economic Development Corporation will be launching the "Shop Eden And Save Program" at this year's Christmas on the Square. Local businesses are being asked to consider some type of discount, free gift or other incentive for those who display the Program wristband. The focus is to promote local businesses and keep our dollars in our community. Please consider being a part of this exciting Program! FMI, contact Kathy Keane @ 869-2211 or A. J. Dolle @ 869-5717.
